

FAMILIES FILES

Currently these files consist of 8 A.4lever-arch files; they contain work done by me (C.M.F.) during the last 25 years, or more, about Berkswell families. Some families have been looked at in considerable detail, others may only have a one-line entry. They will eventually be handed in to the Archive Centre, but are still being used by me.

<p>BOOK 1: Abbott and Abbotts Acres Adams / Addams Adcox / Adcocks Addenson Adds / Addis / Addys Adkins and Atkins Aitchison / Atchison Alesbury Allen / Allin Allett (poss. Ellett / Eliot, q.v.)
